

TROOP 176 OCTOBER TRIP – GOES TO:

WEST POINT

MILITARY ACADEMY

Saturday + Sunday, Oct 17 & 18

This month's camping trip is to the U.S. Military Academy at West Point, New York. We'll go up Saturday morning and tour the campus, meet some cadets, and find out how West Point prepares future leaders for the US Army. For lunch we'll eat with the cadets in the mess hall, and at night, we camp on the academy grounds.

West Point is loaded with history, having served as a fortified point to keep the British from advancing up the Hudson River during the Revolutionary War, and producing famous leaders like Grant, Lee, MacArthur, Eisenhower, Schwartzkopf, and Petraeus. Anyone recognize the guy on the right? He was a President.
