

WELCOME BACK FROM SUMMER – LET GO CAMPING!

# Wilderness Survival at Resica Falls

Saturday + Sunday, Aug 29 & 30

Prep Day: Saturday morning, Aug 22

### SO YOU'RE STUCK IN THE WOODS, LOST YOUR TENT AND FOOD?

Hey, it can happen to anyone -- a wrong turn on the trail, attacked by wild squirrels, an unexpected swim in a stream -- and you're left empty handed, hungry and cold.

### ARE YOU PREPARED?

For this trip, we'll leave our tents behind, cause we're goin' commando! Just your own two hands, handy scout pocketknife, and survival kit to get by:

- **Shelter building** (you build it and sleep in it for the merit badge)
- **Fire building with NO matches** (3 ways, can you believe it!)
- **Wild cooking** (special menu featuring utensil-less cooking!)

We'll backpack in about 2 miles to the most remote site along Resica Creek, where we'll make camp. Tents are optional, but you can take one if you want (we won't laugh).

**Prep Day:** On Saturday Aug 22, 9am to 12 noon, we'll meet for demonstrations and to do prep work for the Merit Badge. Location to be announced.

Leaving: Sat. from Church parking lot, 730 AM sharp

Returning: Sun. afternoon

Cost \$15 per person (cash please). **Due Aug 22**

Bring a bag lunch for Saturday (and Bear Bag for the night!).
